

17/03/09

Launch of The RDPE LEADER Coast, Wolds, Wetlands and Waterways Programme

You will be pleased to know that the launch of the above Programme, along with the Programme website, is now imminent.

To assist with spreading the word about the Programme, an initial event will take place at the Driffeld Show Ground on Thursday 2nd April 2009 as follows;

1pm - 2pm drop in sessions for general discussions on the Programme, as well as potential project activity

2pm - 4pm RDPE LEADER Coast, Wolds, Wetlands and Waterways Launch Event Presentations

4pm - 6pm drop in sessions for general discussions on the Programme, as well as potential project activity

In the meantime, please find attached a leaflet and Programme of Activities for information. If you are interested in applying for C, W, W & W LEADER funding, please read the leaflet and Programme of Activities to see if your idea can help to deliver the RDPE LEADER Programme. If this is the case, please email leader@eastriding.gov.uk to request an expression of interest form so that the eligibility of your idea can be checked.

In addition, you should note that the priority for funding in the first instance will be directed to project activity which is ;

1. Of a time critical nature
2. Is for feasibility/research or 'pump priming' to enable a longer term activity
3. Is a Programme key delivery project

Activity which is outside the above three will be considered in the second round of priorities.

Please note that the Programme website will be available within the next few weeks, if you wish to read the Local Development Strategy in the meantime it can be found at: www.hwrcc.org.uk/fundingandgrants

Please email leader@eastriding.gov.uk to let us know if you expect to attend the event or drop in sessions.
